Re: Complaints from Porter County residents with respect to Duneland Sand 28

Dear Mr. Easterly:

The Commissioners of Porter County, Indiana have recently been advised that some of their Porter County residents have lodged complaints with your agency with respect to Duneland Sand 28. We have been told that residents have complained of large trucks going into the sand mining areas and/or that dumping in the sand operation has been observed.

The Commissioners would like to confirm the existence of any reports to your agency with respect to the above mentioned complaints.

Would you please forward a copy of any complaints you have received with respect to Duneland Sand 28 or otherwise advise me how I might access those complaints by computer?

Thank you for your time and consideration.

Very truly yours,

A handwritten signature of Elizabeth A. Knight in cursive script, written over a horizontal line.
